

Guide

**Guides are \$160/day for two people, (\$80.00 each)
For every person over two there will be a charge of \$13.00 per person.**

For example.

5 guys with 1 guide for 4 days.

4 days for 2 people would be \$160 times 4 days = \$640.

4 days for 3 people would be \$13 times 3 people times 4 days would be \$156.

Total for the guides would be \$796 (\$159.20/person).
